ORDER

The Court has before it the Federal Defendant's Unopposed [sic] Second Motion for Extension of Time to Respond to Plaintiff's Amended Complaint. [Doc. No. 168]. It also has Defendant-Intervenors' Opposition thereto. [Doc. No. 171]. If there is opposition to a motion, it is by definition not unopposed. The motion is denied without prejudice and the parties are ordered to actually consult with each other as contemplated by the rules before refiling.

A handwritten signature in black ink, appearing to read "Andrew S. Hanen". The signature is fluid and cursive, with some loops and variations in line thickness.
